## About Famagusta

**Famagusta** is the second largest city in the Turkish Republic of Northern Cyprus (TRNC) with a population of 35,000. It is a town rich in history, culture, and education. Numerous cafes, restaurants, and shops located in Famagusta city center are highly popular among students. The most beautiful coastline of the island is also in the Famagusta region. The University of City Island is 2 km away from the city center. Therefore, the city center is within walking distance.
